

# Challenge #5

## Story Telling

## BEFORE YOU START

- **Step 1** today's challenge is to get you thinking about the elements needed to structure and create a story. On the page provided make notes on your chosen story type, character/s and plot.
- **Step 2** is to tell a story. Use the notes you created in step one to *create a short story*.
- When you're finished, step 1 will have given you the essentials to practise building **what** you are going to produce, and step 2 will have provided the **story** tying it together.

# Step one: Structure Your Story

<p><b>Story type</b> (pick one) 1. Customer story 2. Employee story 3. Interesting topic</p>	
<p><b>Character/s</b></p>	
<p><b>Plot</b></p>	

## Step two: Tell Your Story
